

4.0 Low Eligibility List Winter 2010 (November 2009 – February 2010)

The 4.0 Low league is a 4.0-rated league designed for players rated in the bottom half of the 4.0 (or lower) level. A 4.0-related player carries a dynamic rating that is 3.51 - 4.00.

Your name will be on the 4.0 Low Eligibility List if:

- You are a 4.0-rated player and your dynamic rating (which you cannot see!) is between 3.51 – 3.80. (We allow an appeal range of .05 above the 3.75 level.)
- You played in a USTA Atlanta league in the 2009 Championship Year (May 2008 – February 2009).

Your name will NOT be on the 4.0 Low Eligibility List if:

- You are a 4.0-rated player and your dynamic rating is 3.81 or above.
- You are a 3.5-rated player or below (or 4.5 and higher).
- You are a 4.0-rated player but did NOT play in a USTA Atlanta league in the 2009 Championship Year (May 2008 – February 2009).

If you are a 4.0-rated player and your name is NOT on the 4.0 Low Eligibility List, then you may NOT register for a 4.0 Low team. The computer will not prevent you from registering since the computer only checks to see if you are a 4.0 player. However, the 4.0 Low teams are checked by USTA Atlanta weekly for eligibility and “illegal” players will be immediately removed from a 4.0 Low roster.

If you believe that your name should be on the 4.0 Low Eligibility List, please contact Chris Walling, Director of Leagues – USTA Atlanta, at chris@ustaatlanta.com, and you will receive a decision (usually within 1-2 business days) whether or not you are eligible.

****Please Note****

4.0 Low Eligibility List attached. Please ensure that the name on this list matches the city that is listed on the person’s USTA membership.
